MILLION \$ BABE

I've always been told that one of my best features, besides my boob and booty, is my mouth. Everyone loves my full lips, and guys really love them when they're wrapped around their cocks. I wear bright lipstick so they can focus on it better. And I think it's fun when I leave a red ring around their cock. My butt has another little secret. It loves being penetrated. With all the cocks willing to do so, I'm planning to keep it that way.

HOMEBOY?

I have to admit that I'm a bit of a homebody. I also have to say that sex in the bedroom can get a little boring. I love doing it wherever I am, and even in unusual places. Sometimes the guy has a problem with it, but that doesn't last long when I wrap my mouth around his cock. He won't even remember where he was.

an unreal man

he's everything real men are not

Hey baby, I want you so bad.
I'm dripping wet for you.

I left my husband three years ago. That also means I left our magnificent condo on the 88th floor of the John Hancock building on Chicago's fabulous Michigan Avenue. We were living in the clouds. The views, the shopping, the constant bickering. That was all part of life. What was not, was sex. Oh, there was some sex, every couple months and even that was not very good.

I moved into a nice brownstone in Lincoln Park. I'd jog along the lakefront during the day and bundle up for walks in the winter. I met all sorts of men, some of whom tried to hit on me as we jogged. Others felt that now that I was divorced, I'd want to sleep with them thinking I'm horny and available. Admittedly, I tried a couple dates from the office or set ups. I even tried a couple of the social media dating sites and those experiences left me totally exasperated!

Then one wine-fueled night snuggled by the fireplace with my papillon, Freddie Mercury, on my lap and Queen playing low in the background and I was thinking about men.

Epiphany!

Why can't a man be who I want him to be? I drifted back on my overstuffed chair, eased my hand between my legs and slowly began to fondle myself. I stare into the flames and I came into your room in the middle of the night, seeing you lying asleep on your back with your arms raised, your naked body vulnerable and open to the world.

I quickly take off my clothes and, naked, I snuggle up to your warm body. It's been so long that my skin is on fire just hugging your chest, feeling

the rise and fall of your belly, rubbing my hands all over your muscular back. You are quite taller than my petite body, but I know we will be a perfect fit..

You sit up facing me and I sense your complete manhood. My innermost being shudders with the slightest touch of your strong fingers. Those fingers work wonders on my skin, touching all of my strings, causing me to vibrate to the passionate music you play on my body. I sigh as I anticipate how your powers will take hold of me.

My fingers probe deeper into my moist love tunnel as I want to ravish you, eat up your body as if I am starved for food, deplete you of any hunger and all the pleasure you have within you. I softly trace your abdomen with my fingers as you lay there. I'm feeling your muscular but lean arms; your muscular legs that radiate the warm arousal within you. Your scent drives me crazy, and even the sweat from your armpits attracts me. I wish you would take me now, but you don't.

I like it that way. I follow the treasure trail on your chest. I pinch your nipples, as erect as any woman's, and make a trail with my fingernails down to your belly. You are breathing a little heavier in anticipation. I pass your belly button and your erect manhood, and drag my nail's across the pubic hair below. I am becoming more impatient for your sex and I start to knead and scratch your skin. I want you so bad, but I will hold you in suspense first. I swirl your pubic hair in my fingers, gently tickling my fingers down to your inner thighs.

I reach around your slim hips and squeeze your hard ass. You have the perfect firm, cute ass; much more attractive than any woman's ass I've seen. I squeeze it and knead your ass, moving my fingers toward the front and your member that is throbbing in anticipation. I choose not to touch you there, but instead caress your balls lightly, massaging them. First I roll one in my fingers, then the other, then both. They are an amazing creation, holding the seeds of life in them. Finally, I am working my fingers softly, silkenly up your shaft. When I approach the edge of your head, I move my fingers all the way around the rim like a lollipop. Mmmm, you are so yummy, and both soft and hard. Finally touching your mushroom head, I run my fingers lightly over your cum hole. Precum oozes from you and your cock throbs impatiently in my hand. I smear the precum all over your head and gently insert my pinky nail into the slit. Then I begin stroking you, slowly and lightly, never giving you what you want but

holding you just on the verge of exploding.

I lay beside you and let you feel the wetness of my pussy, longing, begging for you. I watch your face, your eyes closed, your brow wrinkled. Your face is beautiful, with a chiseled jaw, intense hazel eyes, olive skin, luscious dark hair. I kiss your face all over lightly while rubbing my body against you and keeping my hand on your cock. I nibble your ears and move down

to your neck. I eat you alive, your neck and shoulders are one of my favorite spots, so beautiful, smooth, tanned and muscular. I bite you like a vampire and your breathing intensifies as I move my soft wet lips down to your nipples and suck them. I follow the trail of hair with gentle yet urgent kisses, impatient to get where I really want. I finally reach your thighs and move up to your balls. I fondle them with my mouth and gently put both of your balls in my hot wet mouth, licking them in circles and gently sucking them.

My long tongue licks you softly in circles all around your hard shaft and all around the rim, just as my fingers had before. You are so hard. I flick my tongue all

over your head, until you can't take it anymore and gently give my head a little push. Getting the message, I suddenly engulf your entire throbbing cock, going slowly up and down, still using my tongue on you as your cock rubs against my throat.

I suck you hard like a lollipop, using my hands and mouth in a fucking motion but with a twisting circular motion. My hands still work on your balls and cock as

I suck you. I deep throat you until you are about ready to explode, but not yet my dear. Suddenly I stop. Rubbing my body all over yours, grinding into you, I tease your cock with my wetness. You are mine tonight and I am yours. I want our bodies to consume each other until we can take no more. I gently whisper in your ear that I want your cock inside me.

Oh fuck, you feel so good. You need no more words.

Your purple, throbbing, rock-hard cock impales me and fills my need. You grind into me, slowly, feeling every inch of my tight, wet pussy. I watch the ecstasy of your face as you groan. Your pace quickens, but it is not enough. I want more. You smile and pull out. I'm confused. Damn you. But then you suddenly grab my breasts and pull at them, shaking my perky nipples. You engulf your entire mouth over my firm full breasts, flicking my nipples and slobbering all over them. It's one of my favorite things you do to me.

You keep kneading and sucking my breasts with your hot wet mouth. You bite my breasts, consuming them, giving them multiple tiny breast hickies that send elec-

tricity down to my clit. You squeeze my ass and pull me forcefully around so that my back is towards you now. You pull me towards you, and in one smooth motion, you have impaled me, all the way in so that my ass can feel your balls. You start to breathe hard and moan. You are pounding me so hard that I clench the sheets for support, but you keep going, fast, and even harder, so that I lay down on the pillows and clutch the headboard. I hear the sound of your balls slapping my ass, smell your sex sweat, and feel you groan as your cock slams into my tight pussy. My pussy contracts and I know I am close to climaxing.

My perfect man instinctively knows that to get me off you cannot ignore my clit. The tight, ribbed walls of my pussy begin to tighten, and you pull out again. You turn me onto my back, making sure I have a pillow under me, and you begin to finger me hard. Your long fingers know right where to hit me, massaging my g-spot and fucking me so hard I think I'm going to explode. My pussy contracts as I send juices all over your fingers. But you know you cannot leave my clit alone. You start to rub it in light circles, building up a slow but steady rhythm. Relentless.

I'm close. Your pace quickens and I claw my fingernails into your back and grasp the bed for support. Suddenly, my whole body clenches in sweet release and I buck up into your hands, holding onto the headboard, groaning loudly, gasping for air. You never stop rubbing as my body pulses in electric orgasm. My juices ooze onto your fingers. You stop for a split second, then start to rub me again and you send me over the edge again. I grasp the sheets, my back arched, my breasts erect, my entire body at your command, and my neck back on the pillows. I am exposed and vulnerable to you, my neck is craned back so far in ecstasy. But I cannot stop as you keep me in a fiery orgasm for what feels

like eternity. Oh fuck, you feel good. I cannot stop. I don't ever want to stop. Finally my body, depleted of its love juices, stops writhing as I lay resting, soaking in hot sticky pussy juices, trying to breathe with some sense of normality.

I hover over you and slowly slide down onto your cock, so that you can feel every inch and detail of my pussy. Your cock is still hard, waiting so much to be released. You shudder, and try to hold me, to fuck me more, but I'm in control this time. I slowly bob up and down, in and out, rubbing my breasts against you and biting your shoulder and neck. I go harder, I go a little faster, but I know that you like it slow too. Finally you cannot resist any longer. You push me off of you and grab me, picking me up. You move me off the bed and slam my back against the wall, and in one quick motion, you and your beautiful cock enter me.

You use me to reach your release. You groan loudly and fuck me so hard I feel the wall might fall down. I feel your throbbing cock get even harder if that's even possible. And then suddenly, you yell loudly, and shoot your hot sticky white cum deep into me. Your entire cock is sucked into my pussy all the way to your tightened balls and you look at me as you cum. Your eyes are full of fire.

You keep fucking me until you have filled me with every last drop. Then you

breathe deeply, now that you can finally breathe again. You carry me back to the bed and we run our hands all over each other. I put your softening cock in my mouth to lick off the last drops of cum. I lay on your chest and you lie on your back just as before, with your arm raised. Still just as vulnerable and toxic as before. I'm still horny, but I'm exhausted, so kiss you lightly, and get my clothes on. As I leave, I gaze at your depleted, sweaty, arousing body one last time. I shall return.

I love men and women. Men are so aggressive and always ready to fuck. They waste no time. They know what they want, and I do too. I want to do as many as I can before I lose interest in sex (which I don't think I ever will). So today I'm getting warmed up to put another notch on my bedpost. It should be good entry into my diary.

LOTTA LOVE IN THESE BOOBS

her fantasy fulfilled

She takes a long sip of her cooler and I settle back against the headboard. "Take your time, babe." I say to her. Hesitantly she begins. "When I was at college, there was a guy that I thought was great looking and I think that he liked me, too. We kissed a few times and I felt his cock and he sucked on my boobs. We were in a lab room doing that, but when we heard footsteps coming down the hallway, we broke it off. We didn't want to get caught and then suspended." Now she got quiet. "Do you want to finish?" I asked her. "Well, just once, I would like to do it with an Asian guy."

I told her that I had been with an Asian so I could understand her curiosity. We made love again. The day had been really nice in bed together and I began planning how she could have her fantasy fulfilled. It took a couple months. One idea was to have her bring a toy with her, a nice fleshy dildo, and when we were at the park or elsewhere, I told her to close her eyes and pretend it was another lover that was in her with me there and enjoying every bit of it. She always had some explosive orgasms but was shy afterwards.

One Saturday I arranged for a friend to meet us at a nice hotel in the center of town. Jake was my height, about five-foot eight, but unlike me, he kept playing some sort of semi-pro soccer after we finished college, so he was buff. I asked him if he would like to join us he was more than happy to say yes. Toni and I got to the hotel early for some fun on our own and it was worth it. As I said, she's pretty shy, but when you get her alone she turns into this wild sexual animal any man would love to fuck. But lucky me, she's mine. I undressed her; we

played a little rough as she liked and after a good spanking, I ate her thru a couple orgasms. Around noon there was a knock on the door and she looked at me, "Who can that be?" she said. Why don't you answer it?" I told her. "Are you serious?" she said. "Leave your clothes on the couch and go to the door – just like that." She stood there looking at me, stunned. I never said anything to her about a visitor.

Toni had no time to reach for anything to cover herself except a wash cloth which she held over her beautiful full chest. We laughed and said that it was not covering anything. She dropped it and sat on the bed asking, "What is going on?"

"It's your fantasy, my dear." I told her. "She does look good." Jake said as he sat on the edge of the bed, introduced himself and began rubbing her shoulders. "I think we can really give her a nice time today." That is what we are here for. Jake leaned her back against his chest and kissed her neck, one of the weak spots I told him about. Shhhh, enjoy Toni, enjoy, it is going to be better than you ever imagined. His hands came around to her breasts and took the left nipple gently and began manipulating it, pulling and massaging. He kept kissing her neck as I moved to the other side of her and took her other nipple in my mouth sucking, then licking it. She began to moan and her eyes closed, "Mm-

mmm, I can't believe this is happening." she moaned. "Damn, this feels so good."

We encouraged Toni to lay back on the bed with me on one side and him on the other. We started kissing her all over, kissing and sucking her spots that got the best results, making her cum without even touching her pussy. She was reaching for his bulging jeans when Jake stood up and stripped in front of her. Her eyes grew wider as he exposed one of the largest cocks she had ever seen. It was about seven long inches and very, very thick. She reached out and took Jake's cock in her hands, massaging it slowly as I sat next to her and began sucking her boobs again. I noticed that she kept her eyes on the object of her desire in her hands as Jake watched her and smiled, moving his hips in time with her hands.

Pre-cum began leaking from his cock and she guided it slowly to her lips and licked the pre-cum, adding a soft moan at the taste of his cock. She then began taking it slowly into her mouth. I moved to her pussy and was eating her out as her other hand found my thick tool. Jake pushed into her mouth deeper. I was still eating her pussy when he sped up and shot his load as she struggled to swallow all of it. Her pussy squirted my face as she had her second orgasm and I did all I could to lick it all up. Jake sat next to her after she let his cock go and he began kissing her again, I got up and told Jake that Toni's pussy was ready for him.

He then moved her up on the bed and got between her legs, pulling and spreading them so that they were over his shoulders. He put the head of his thick rod to her pussy lips and began pushing in. Toni shrieked softly as it spread her wide. He pushed all the way in and Toni cried out. He buried it in her pussy till his low hanging balls slapped against her ass.

I moved so Jake could have full control of her hips and he began pounding her pussy deep and hard. Her boobs were bouncing as she was devouring his cock into her pussy.

Toni had a couple more orgasms in quick order and was going for another when Jake tensed up and filled her with his second helping of cum. It seemed like he unloaded for ten minutes. Toni later told me she had three orgasms in a row, one stronger than the other as he filled her.

He put her legs down and I got my cock into her pussy, sliding it slowly in to the point that she was moaning again. Harder harder, I fucked her harder, ramming all the way into her with every stroke. I was ready to cum but she cried out for me not to stop. I couldn't hold off any longer and burst inside her pussy making her moan louder than I have ever heard her. But she didn't cum, so she reached over and grabbed Jake and began sucking him trying to get him hard again.

He obliged and within a couple minutes managed to get hard and slide it into her. Boldly, she told him to fuck her pussy hard, really hard – ram it in. She reached out and grabbed my cock, taking it into her mouth, sucking deep and I was back to full attention in minutes. She repositioned both of us so she could sit on my cock, taking it into her ass, then took Jake again into her pussy. Then she began having orgasms over and over again soaking the three of us with the juices squirting from her pussy. I filled her ass as he again filled her pussy.

We all collapsed on the bed, Toni still trembling and shaking with aftershocks of her orgasms. She moaned, "Please stay in me, don't get out yet." Jake pushed his half hard cock back in and she lay there enjoying the feeling. She was moving her pussy and ass slowly around our cocks deep in her making them slowly come back to life.

Amazed, Jake asked, "How much of us can

you take?" Toni looked at me and said, "As much as I can get. This has been a fantasy of mine for a long time and I want to be sure I enjoy it for as long as I can." With that, Jake began moving in and out of her. I began pinching her nipples and my cock was slowly coming back to life. She was moving slowly, taking advantage of the cocks in her, and then after a long time, Jake was saying he was going to cum again. She said he had to wait this time.

She took both of our cocks out and we stood up in front of her. She then took them in her hands in front of her and began sucking one while massaging the other. She looked up at us and said "Now when you're ready, fuck my mouth and cum in my mouth. I want to compare and see how each of you guys taste." We got on our knees in front of her on the bed and she sucked Jake off first and swallowed his load. Then it was my turn and she stroked and sucked me until I came one more time. She laid on the bed content after that. Jake and I found spots

on the bed and laid down trying to catch our breaths.

Toni rolled over to me lightly kissed me on the lips and said "Thank you for the surprise, baby. Jake was just perfect." I told her that I enjoyed it as much as she did, and then admitted that I was a bit apprehensive at the start, too. "So you liked seeing me get fucked by another guy right in front of you?" she asked. "Yea, it was pretty cool. And to watch you do him as I did you, that was even hotter." I said. Then much to my surprise she said that she wanted to do it again in a week or so, after her pussy and ass recovered. I told her I would see what I could do and turned to Jake. He gave me a thumbs up and said "I'm in!" I told her that in two weeks she would have to find us a girl to share just as we did today. She smiled and said she already had someone in mind. "Do you remember Claire from my dance class?" she asked. I said I did and my cock started getting hard again. "She'd be perfect." we said in unison.

She took both of our cocks out and we stood up in front of her. She then took them in her hands in front of her and began sucking one while massaging the other.

When asked why I do adult photos and videos, I tell them because I love sex. I grew up in a house where things were very open about it and so I was comfortable with it. After I did a shoot or two, I got comfortable with a camera, and then when girl/girl was asked of me, I learned to like that kind of sex, too.
